\***TLW**="The Learner Will" and it describes what the student will be doing in class on that day. This description should be specific. In Algebra I, the **TLW** could be "Work in groups to work polynomials; graph on white boards; present to class" The **objective** is the TEKS/TAKS/Project CLEAR objective that you are addressing. In Algebra I, the **objective** could be, "TEKS 4.a: Find function values, simplify polynomial expressions".

Or in English II, the **TLW** could be, "Finish 1<sup>st</sup> draft of essay and work in pairs to proof read and provide feedback using rubric" and the **objective** might be, "TEKS 1.c: develop drafts both alone and collaboratively by organizing and reorganizing content and by refining style to suit occasion, audience, and purpose."
